# Background and Acknowledgements

The aim of the Logan Street Services Guide is simple: to provide practical, relevant and useful information on where to get help with a variety of issues that impact on people experiencing homelessness or at risk of homelessness in the Logan area.

In 2013 a Logan Street Services Guide working committee was established and the first edition was launched in 2015. Since then, over 10,000 copies have been printed and distributed to help people who are homeless or at risk of homelessness in and around the Logan region. The success of the guide over the years has been made possible through the generous assistance of many organisations including:

- Beaucare Community Services
- Brisbane South PHN
- Canefields Clubhouse
- Centacare
- Child and Family Connect
- Child and Youth Community Health Services, Children's Health Queensland
- CIM Employment
- Department of Justice and Attorney-General
- Islamic Women's Association of Queensland
- Kingston East Neighbourhood Group
- Logan City Council
- Logan Hospital
- Metro South Health
- MultiLink Community Services
- Queensland Police Service
- Reclink
- Sarina Russo
- Wesley Mission Queensland
- Street Doctors
- Upper Room Crisis Centre
- Youth Off the Streets

In 2020 the Logan Street Services Guide was transitioned to the online My Community Directory platform. This means that information in the Guide is now updated daily online. It also means that the accuracy of information included is the responsibility of the listed services.
