# Information about the Region

Located on the edge of the Great Dividing Range and set against a backdrop of the Bunya Mountains, the South Burnett is a unique blend of vibrant country towns and laid-back living.

**SITUATED** inland from the Sunshine Coast and an easy two-hour drive from Brisbane, the South Burnett is a great place to make a home.

In the past our region was probably best known for peanuts. But beyond Kingaroy's famous moniker of the "Peanut Capital of Australia", the South Burnett offers much more.

Our residents enjoy a relaxed country lifestyle, contrasted with abundant opportunities and possibilities afforded by our innovative industries. From agriculture, manufacturing, mining and renewable energy, to art, culture, tourism, health and quality education, the South Burnett really does have it all.
